

**PHILIPS**

# Statement of appreciation

Circular Economy Contributor

**This statement is a recognition to** Dott. Pasquale Esposito

Thank you for trading in your Philips Image Guided Teraphy System and supporting our efforts to transition to a circular economy.

We will repurpose it responsibly through our recycling program. This enables us to maximize the lifetime value of our products and parts while minimizing the use of new materials and eliminating waste.

Together we can make the world healthier and more sustainable through innovation.
